*Action point:*

*God is at work in the world to bring things to the point where it is time for Jesus to return. How does this impact us and what is our role? We need to be ready when Jesus returns. The first step to being ready is establishing peace with God, which Romans 5:1 tells us happens when we believe on Jesus. The second step is to get busy doing what God wants us to be doing. To be found doing His work when He returns. If you want to discover what that might look like at MBC then contact Steve Smith at [steve.smith@mansfieldbible.org](mailto:steve.smith@mansfieldbible.org) and he will get you hooked up.*
