Action point:

Events such as the ones described in Ezekiel 38-39 point to events that will take place at the end of days. As events unfold in the news it causes us to consider if the world events we are seeing are the beginnings of some of these prophesied events. Whether they are or not, we must ask ourselves if we are ready for that time to come. As a follow up to that question we need think about what we need to do to be ready? If you are not a believer in Christ, then seriously considering His claims and responding to them would be a necessary first step. Ask one the people wearing a brown name badge for more information about this and they will be able to assist you. If you are a believer then write down one thing you can start doing this week to invest in the kingdom, spiritually, physically, or financially so that you are found doing his work when he arrives.
