Action point:

Last week I encouraged you to invite one family to MBC in the next 6 months. The family that you invite to church this next 6 months may become part of the wedding party of our best friend Jesus. Pray that God will lay on your heart the one family that He wants you to invite and then begin to look for opportunities to invite them. Think of it as Christ's marriage proposal to them through you. You are the voice that he may use to draw them to Himself. Let's pray for boldness to speak out for Him.
