

Jesus II

1. Jesus' will come again at the end of the Tribulation (Zechariah 14:1-2).
2. Jesus' second coming will land him right on the Mount of Olives (Zechariah 14:3-15).
3. Jesus will come again in order to set up His kingdom (Zechariah 14:16-21).

Action point:

When you read the scriptures and enter a passage about end time events, it is easy to become worried that what we are reading will happen to us. That's why it is so important to know what is going to happen and at the end of days and when it is going to happen. Keep a copy of the end times as a bookmark so that when you read a passage that includes an end time event you can place it on the chart. If it happens after the rapture and you have accepted Christ as your savior, it will not happen to you.
