2. When the outcome of life is uncertain God's faithfulness protects our hearts (Psalm 91:3-8).
3. When the outcome of life is uncertain God sends angelic beings to become involved in our circumstances (Psalm 91:9-13).
4. When the outcome of life is uncertain loving the Lord and prayer satisfies our hearts (Psalm 91:14-16).

Action point:

God's faithfulness helps us fight off when we are attacked by doubt, and life's circumstances. It is God's faithfulness that gives us strength to endure. It is so comforting to say or hear someone say, "God is with us," or "He will get us through this." And the only way we can say those things is because we know He is faithful. His faithfulness helps us fend off those moments of doubt and we come back strong remembering how God has been faithful to people through the ages and how He has been faithful to us. Find a friend this week who is going through overwhelming life issues and speak the words of God's faithfulness into their life. Say something like, "God will get you through this." And watch God use that in their life.
