Make a Difference Beyond the Doors

about Himself. You will be amazed at how close you will feel to the Lord.

Clicking On Help

1. We click on help every time we rely on the Spirit of God to help us to lovingly obey Christ (John 14:15-18).
2. When we click on help by relying on the Spirit it results in us seeing and experiencing more of Jesus (John 14:19-24).
3. When we click on help by relying on the Spirit of God He continues to teach and remind us of what Christ wants us to do (John 14:25-26).

Action point:

Brainstorm with your family some ways that you can make a difference beyond the doors of MBC. Write down your list, compare it to someone else's list, and also email it to mbc4god@mansfieldbible.org. Pick something from the list that the Lord is leading you to do. It may be simple or complex. Invite the Spirit of God to be a part of the whole process. Do some planning and then set a date when you will begin to do it. Even thinking about a date makes your heart beat faster, doesn't it? As you step forward relying on the Spirit of God, write down what Jesus is teaching you
