

What Will Happen If People Find Out The Embarrassing Things About My Life?

1. The promises of God motivate us to purify ourselves of those things that we would be embarrassed about people finding out (2 Corinthians 7:1-7).
2. Bringing a potentially embarrassing situation to light causes hurt, but produces an eagerness to keep our lives right with God (2 Corinthians 7:8-12).
3. When we deal with embarrassing stuff in our lives it generates trust in relationships (2 Corinthians 7:13-16).

Action point:

Write down those sins which would be embarrassing if someone found out about them. Write down what action steps you need to take in order to repent of them. Godly sorrow leads to an eagerness to set them right. Now take the steps you need to take to set them right...repay for something you stole, put Safe Eyes on your computer, call and cut off an illicit relationship, change your phone number and internet address, get counseling, go to a marriage conference. When you have set them right, lift up your eyes to the Lord (Psalm 3:3).
