iLive

Living Like There's No Tomorrow:  
Confessions Of A Rabid Narcissist  
John 12:24-26

1. iLive when I die (John 12:24).
2. iLive when I am not the most important person in my life (John 12:25).
3. iLive when I become captivated by the heart of Jesus (John 12:26).

**Action point:**

Write on a card in large bold letters the phrase "I die daily" and put the reference under it of 1 Corinthians 15:31. Then write out the verses from John 12:24-26. Write on the back of the card three specific ways that you can be unselfish each day. Add to the list as you think of things. Then glue the piece of grain onto the card. Put the card somewhere you will see it every day. And each time you read it ask the Lord to help you put it into practice today.
